HARVEST FOR NATION

Twenty Millions in Taxes
Paid by Corporations.

REPORT FOR THE FISCAL YEAR

Spirits Yield \$148,000.00 in Internal
Revenue, While Tobacco Aggre-
gates Nearly \$57,589,351—Illinois
Leads States in Amount Turned
In to the National Treasury.

Corporations of the country paid over
to Uncle Sam the sum of \$20,369,782 in
the fiscal year ended June 30. The report
of the Commissioner of Internal Revenue
has just been made public.

Total receipts from internal revenue
sources aggregated \$28,728,014, as com-
pared with \$26,312,719 in the fiscal year
1909, an increase of more than \$2,400,000.
The corporation tax contributed less than
half of this gain.

The total receipts from the tax on cor-
porations for business done during the
calendar year 1909 aggregated to date \$27-
08,502, of which \$20,369,782, as stated, was
collected. The additional amount be-
longing to the receipts for the current fiscal
year.

Among the objects of taxation, spirits
yielded \$148,000.00, an increase of more
than \$13,000.00 over 1909. The taxes on
tobacco footed up to a total of nearly
\$57,589,351. Returns from fermented
liquors aggregated \$40,572,000.

The report shows that during the year
tax was paid on more than 8,000,000
cigarettes, and about 8,250,000 cigars.

Illinois led the States in the amount
turned in to the Treasury through the
Bureau of Internal Revenue. The collec-
tions in that State aggregated \$4,165,372.

New York was second with \$3,157,226, and
Kentucky third, with \$2,269,278.

It cost Uncle Sam a little more than
\$5,000,000 to maintain the Internal Revenue
Bureau in the last fiscal year.

CHURCH ESSENTIAL IN LIFE

Without Him All Is Failure, Says
Dr. Stuchell.

New Jersey Minister Conducts Pres-
byterian Service at Frank-
lin Park.

Dr. W. T. Stuchell, pastor of Second
Presbyterian Church, Rahway, N. J.,
who is now supplying the pulpit at New
York Avenue Presbyterian Church, this
city, spoke on "Christ and the Larger
Life" at the open-air service conducted
by the Y. M. C. A. at Franklin Park
yesterday afternoon.

Dr. Stuchell's text was from the tenth
chapter of St. John, tenth verse—"I am
come that ye might have light and that
ye might have it more abundantly."

The speaker emphasized the life that
now is and the opportunity for service
that immediately surrounds us in con-
trast to having the whole emphasis
placed on the life beyond. He said that
life lived apart from Christ is a failure
and that life in touch with Christ not
only prepares us for the life beyond, but
enriches our present life.

Dr. Stuchell concluded with an appeal
to his hearers to accept Christ for the
enlargement of their own lives, and
thereby they might be used for the en-
richment of society.

RAILROADS FILE REPORTS

Show Cost of Operating Mail and
Other Services.

Final Results Will Be Sent to Con-
gress by Postmaster Gen-
eral Hitchcock.

Postmaster General Hitchcock has just
received a preliminary report on the
railroads' cost of carrying the mail.

About a year ago Mr. Hitchcock re-
quested the railway companies to report
to him this information.

Up to the present time complete reports
have been received from 422 companies,
leaving about 180 still to report. The de-
partment recently organized a special
force of clerks to check up and verify
the reports.

As soon as all the reports are in the
necessary computations will be made to
show accurately what it costs the rail-
roads to operate the mail service, the
express service, and the passenger service,
and what they derive in the way of
revenue.

The final results will be reported to
Congress by the Postmaster General, to-
gether with such recommendations as
seem advisable.

BEDLOE BEY IS BACK

Envoy of Universe Returns
from Old Ireland.

FINE TERRIER FOR SOUVENIR

Presented to Washington by an Old
Friend, Father Scannell, of St. Finn
Barry's College, of Cork—"Erin's Au-
Revoir" Read at Concert on Board
the Steamer Friesland.

Dr. Bedloe, the veteran newspaper cor-
respondent of Washington, and formerly
one of Uncle Sam's envoys extraordi-
naries and minister plenipotentiaries,
better known as Bedloe Bey, a few
days ago returned from an extensive
tour of the Emerald Isle. He brought a
fine specimen of Irish terrier, which was
presented to him by an old friend, Rev.
Father Scannell, of St. Finn Barry's Col-
lege, Cork.

Dr. Robert Huey, of Philadelphia, who
visited Ireland in quest of the Irish rose,
was a fellow-passenger with Dr. Bedloe
on his return to this country on the
Friesland.

At a concert performance in aid of the
United Seamen's Fund, Dr. Huey intro-
duced Dr. Bedloe, who read the following
original poem by Father Scannell, en-
titled "Erin's Au Revoir to Bedloe Bey."

Tribute to Bedloe Bey.

Wish, Dr. Agn, don't say that you're weepin';
Don't you see her sad spirit's here in the
shore?

Wish, Dr. Alanna, say you'll come back once
more.

There are fond hearts galore in Old Ireland that
love me,
An' ship loads of suitors come over the sea;
But divil a wan of 'em 'er wood an' won me,
Till I met me own darlin' boy, sweet Bedloe Bey.

He came as fine mornin' at the summer sun's
rise;
With the Soggarthi to meet him outside Roche's
Point.

An' our meetin' was honey, as our partin' is poison,
Now me mind is upset an' me heart's cut to pain.

Och, his voice like the thrush's sweet music at
evenin';
Och, his laugh like the ripple o' some mountain
stream.

An' oh, how I loved him an' now I'm bereavin';
As he sits for the West wind the sun's dyin' beam.

I'm watchin' his ship sail away to the westward;
I'm watchin' the sun sink in his waker.
